TO THE COURT AND ALL PARTIES AND THEIR ATTORNEYS OF RECORD:

RECITALS

1. WHEREAS, trial counsel for State Farm, Stephen P. Ellingson, has just learned that he must undergo open heart surgery on Tuesday, March 21, 2017, and as part of his recovery, will not be able to drive until mid to late May, 2017;
2. WHEREAS, this matter is currently scheduled for a Case Management Conference to be held on April 11, 2017, at 2:00 p.m. in the above referenced Court;
3. WHEREAS, the current discovery cutoff is May 1, 2017;
4. WHEREAS, the current deadline to exchange expert disclosures is May 1, 2017;
5. WHEREAS, the current expert discovery cutoff is August 18, 2017;
6. WHEREAS, the parties have substantially completed written discovery and State Farm intends to file its motion for summary judgment, or in the alternative, partial summary judgment in time to have it heard by the current dispositive motion deadline of June 28, 2017;
7. WHEREAS, the parties agree that if State Farm's motion for summary judgment, or partial summary judgment is granted in whole or in part, it may obviate the need for the parties to incur the cost of retaining experts and engaging those experts to prepare the narrative expert report required by FRCP 26(a)(2) and the depositions of such experts. It may also obviate the need to depose fact witnesses. The parties wish to litigate this matter in a cost effective manner and avoid unnecessary expert retention expenses and attorneys fees and costs.
8. For these reasons, the parties have agreed to stipulate to certain revisions to the Court's Pretrial Order to accommodate trial counsel's unexpected need for open heart surgery and avoid incurring the expense of expert disclosures and other discovery that may not be necessary before the resolution of State Farm's motion for summary judgment, or in the alternative, partial summary judgment.

Accordingly, the parties hereby stipulate to revising the Scheduling Order as follows.
